

BEST Workshop #4 - 2020: Public Transport on demand and new forms of mobility (Preliminary programme)

Teams (Host: Copenhagen), November 24th 2020, 09.00-15.00 CET (10.00-15.00 Finnish time)

Topic:	<i>Public Transport on demand and new forms of mobility. New generations and new requirements. Which services are on/off, time-frames? Who will use it, in what way, and how fast will the use of these new services grow?</i>	
Target group:	<i>Professionals who work with development of on demand services and new forms of mobility</i>	
Workshop participant responsibilities:	<i>Each participating organisation must make a short presentation at the workshop related to the workshop topic. There should be ample time to discuss. If your organisation has 30-45 minutes, the presentation should not be longer than 15-25 minutes, and around 15-20 minutes should be reserved for discussions and questions. A preliminary title of the presentation, and the name of presenter, should be provided as soon as possible (preferably when registering). Final programme will be distributed when complete.</i>
